The 34th Kite Festival Emmen 2022 From the 19th up to and including the 21st of August 2022

Hello Kite Friends!

We hereby invite you to our 34th Kite Festival, of course at our well-known multifunctional location, the edges of the 'Grote Rietplas' in Emmen, in The Netherlands with the appropriate theme '*With the wind...*' The board of S-V-E, which, together with a lot of volunteers from all corners of the world, creates an amazing spectacle for already 33 years, is very pleased to keep the 34th edition together with you. This with all our well-known components, like:

- The flying of all kind of kites , also at night (with kites with hundreds of lights)
- The kite school (for all ages) at the designated area of the location (see map)
- Stunt kite flying demonstrations (see map)
- Various workshops and make-up clowns (in the big tent)
- Dropping candy for children (this year also one hour for grown-ups)
- Illuminated- and wind sensitive objects on or at the waterfront (art route)
- Artistic creations, both kites and objects (art route)
- The Miracle evening (Saturday evening), this year we want to let water burn
- Election of the most beautiful illuminated kite
- Election of the most beautiful, special nostalgic kite
- Jinky's Mikmak puppet theatre (on Saturday- and Sunday noon)
- The peripheral event with music, dance, light and a lot more!
- A spectacular auction for charity, this year for 'Joelles Helping Hands' (the big tent)
- The wheel of fortune and a grab bag, also for charity (the charity tent)
- Photo exhibition: 34 years of flying kites (in the big tent)
- Live music (on Friday evening a country-band and on Saturday evening an Irish band) (all at the Plaza)
- Sales of kites and kite-parts, outdoor- and wind games etc. (in the sales tent)

We hope to have given enough impulse with all these components to the 34th International Kite Festival and are going to make it a wonderful festival together with you!!

Catering: our own super catering team is fully committed to make something special of it. Tasty and good healthy food for not too much money, like stews and hot and cold buffets.

At our large renovated terrace which is well received, you can rest well after the 'work' is done and enjoy our various special draft beers, fresh coffee and tea or of course various soft drinks. Our terrace is, just like last year, corona-proof furnished.

Green: For a couple of years we are a 'green' festival. We don't use plastic disposables, we're going to wash the dishes again (volunteers can report to the catering).

The parade: the board of S-V-E has decided to skip the participant parade on Saturday evening , allowing everybody enough time to prepare for the kite flying at night and the illumination during the Miracle night.

New! Rent a fully equipped tent!

For a couple of years it was possible to rent a caravan, but due to lack of those we have been looking for another option to give you the possibility to stay overnight. We have made an appointment with a company who delivers fully equipped tents for 2-4-6-8 persons (and fully equipped means: beds, sleeping bags, pillows, table and chairs etc.). You don't have to pitch and tear down a tent yourself, the tent is completely ready for use.

If you want to make use of this option please make a request as soon as possible, there are only a maximum number of tents available and full is full. The closing date for your request is April 30th.

If you want more information about the price etc. send a mail to info@s-v-e.nl, we will send you a registration form with all information and options to rent a tent.

The registration for the 34th Kite Festival has started, you are very welcome to participate!! Please register as soon as possible by post or mail (info@s-v-e.nl) by making use of the registration form, which you can find at our site www.s-v-e.nl
